SAP MII in Batch Management:- We have SAP MII Rapid Deployment Solution for the batch management, Nowadays we need to bring manufacturing into line to gain real-time insights. SAP MII RDS(Rapid Deployment Service) have the capacity to gain an accurate and deep understanding of manufacturing performance.

SAP MII Training | SAP MII corporate Training in India

SAP MII is not an MES (Manufacturing Execution System). While a typical MES, such as Tracer Factory, offers specific applications (Traceability, Scheduling, Quality Control, etc), SAP MII offers the framework to build your own applications. SAP MII is not an ERP. By contrast, it is a manufacturing platform.
