With this in mind, the Scottish Law Commission (SLC) has been working to provide much sought-after reform and produced the draft Moveable Transactions (Scotland) Bill. This large project focused on three main areas: assignation (transfer), security over incorporeal property and security over corporeal property.

Moveable property: reform at last? | Law Society of Scotland

Possession in Scots law occurs when an individual physically holds property with the intent to use it. Possession is traditionally viewed as state of fact, rather than real right (or right in rem/ property right) and is not the same concept as ownership in Scots law. It is now said that certain possessors may additionally have a separate real right of the ius possisendi (the right to possess).
