better with the audience or content from each social channel a user is being directed from. This responsiveness, alongside repetition and consistency, are key design lessons from social media.

## **What web designers can learn from social media | Creative Bloq**

The Design Social is based on the belief

# Read Free Designing For The Social Web

that Good Design belongs to everyone & shouldn't cost the earth. As we work together you will see how that belief is fundamental to what we do in Architecture, Interiors, Graphics & Web Design. Our approach is simple, your ideas get the attention they deserve & you only pay for what & who you need.
