**Discovery Insights 5 Questions About Discovery Quality**

Insights Discovery is a fantastic tool that can help you understand your own behavior as well as that of others. Based on two axis developed by Carl Jung (introvert versus extravert and Thinking versus Feeling), four quadrants can be made that describe a certain personality. Each personality is represented by a color: red, yellow, green and blue.

**Insights Discovery part 1: The 4 colors | MudaMasters**

Insights Discovery also uses a simple and accessible four color model—Sunshine Yellow, Cool Blue, Earth Green and Fiery Red—to understand your unique preferences. Everyone has a different combination of these traits or colors, and when you understand the combination, and why you think and act in the ways that you do, you can start to work more effectively with others.
