EViews 5 Command and Programming Reference

Our institute currently has eViews 11. I am revisiting eViews after about 5 years. I have text files of several programs that I had written myself 5 years ago. I used to copy/paste these in the command window and run them easily. Now I seem to have forgotten how to run a program after copy/pasting its text in the command window.

How to run a program from command window - EViews.com
