...

Fate is that which you cannot change. Destiny is that which you're meant to do. While fate is what happens when you

# Download Free Fate And Destiny The Two Agreements Of Soul Michael Meade

don't take responsibility for your life, destiny is what happens when you commit to growing, learning, and taking chances. Being "destined for greatness" only comes through active and conscious decisions. But fate is what happens when you let other people and external circumstance dictate your life.

fate. If we look at how they interfere from a higher consciousness, we see that they beautifully align with each other. From a higher perspective, everything already exists.

## **Free Will: the Difference Between Fate and Destiny ...**

Fate can be defined as the power that is

## Download Free Fate And Destiny The Two Agreements Of Soul Michael Meade

believed to control all events. Destiny, on the other hand, is the hidden power that is believed to control future events. When focusing on the definitions what is apparent is that both speak of a higher power that can control events. This gives the idea that Fate and Destiny can be viewed as similar.

Both are a necessary and functioning part of a living soul. In simple equation form, then, the physical + spirit = a living soul. And if we then take this one step further we could conclude that both realms of "fate", the physical and the spiritual, are a necessary and interegral part of what I would call our "destiny".
