It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several

pages, organize them,
and export them
together (again, in PDF
format). It's a nice

feature that enables
you to customize your
reading material, but
it's a bit of a hassle,
and is really designed
for readers who want
printouts. The easiest
way to read Wikibooks
is simply to open them
in your web browser.
