Background and history The term Freiwillige was used in Nazi propaganda to describe non-German Europeans (neither Reichsdeutsche nor Volksdeutsche) who volunteered to fight for the Third Reich during World War II. Though largely recruited from occupied countries, they also came from co-belligerent, neutral, and even active enemy nations.

Non-Germans in the German armed forces during World War II

German citizens Background. Even before World War II, Germany struggled with the idea of African mixed race German citizens. While interracial marriage was legal under German law at the time, beginning in 1890, some colonial officials started refusing to register them, using eugenics arguments about the inferiority of mixed-race children to support their decision.
