### **Steps To Writing Well 2c**

Before you write a single sentence, you should always remind yourself that 1. You have some valuable ideas to tell your reader, and 2. More than anything, you want to communicate those ideas to your reader. These reminders may seem obvious to you, but without a solid commitment to your own opinions as well as to your reader, your prose will be ...

If you're writing an argument essay, address the opposing argument, as well. You might write, "Although administrators worry that students will walk the halls instead of going to the library, schools that allow students into the library during lunch reported less behavioral issues during lunch than schools that don't allow students in the library.
