How great Chinese garden are! From north to south, east to west, royal to normal, fancy to simple, you could see all of the best gardens in China. Especially two cities that must visit: Beijing, my hometown, and Suzhou, a wonderful small town built beside the river. The spirits of Chinese gardens were focused on how to combine nature and humanity together. The gardens in Suzhou absolutely rendered an ideal level without artificial fixing, you might call it "Eastern Venice". On the other hand, Beijing ...

For the past 3,000 years, everyone in China, from emperors and government officials to scholars and poets, have built their own Chinese garden. The first Chinese gardens were built in the Yellow River valley. Kings and members of the nobility during the Shang Dynasty (1600–1046 BC) hunted and planted fruits and vegetables in their gardens.
