This collection of Earl Nightingale audios is the most comprehensive I've seen, and, like the book of the same title, is "must hear" information for success and personal achievement. I count Earl Nightingale and Brian Tracy as two of the most important influences on my core philosophy of work ethic and contribution, of doing worthwhile things with one's life, and this set of audios is critically important.

### The Essence of Success eBook by Earl Nightingale

Success is an individual thing and only the person involved can be responsible for what success is to him. People who succeed are people who believe they can succeed. Success, until it has been won, is a mental thing. A man has only his mental picture and his belief, until he has achieved his goal.
