Liberal democracy, also referred to as Western democracy, is a political ideology and a form of government in which representative democracy operates under the principles of liberalism. It is characterised by elections between multiple distinct political parties, a separation of powers into different branches of government, the rule of law in everyday life as part of an open society, a market ...

### Liberal democracy - Wikipedia

If the end of the 20th century was defined by the relatively widespread acceptance of democracy, the second decade of the 21st century is marked by concerns about backsliding in new and established democracies alike and by a notable decline in foreign support for democracy around the world. As democracy's global tailwinds shift to headwinds, scholars have an opportunity to better understand ...
